

Weare Economic Development Committee Minutes - February 21, 2006

The meeting opened at 7:10pm

Present: Jim Thompson, Cheryl Elliott, George Malette, Art Siciliano, Alice Morris

Also attending: Heleen Kurk, Donna Osborne

The minutes for the January meeting were approved as written.

A large version zoning map is now on hand. A suggestion was made to also have an existing-use map of the same size for comparison and use.

The by-laws were reviewed and some changes made. The by-laws adoption vote will be at the next meeting, March 21, 2006.

Cheryl will bring information on TIF and grant programs to the next meeting, especially as it relates to the implementation of Master Plan recommendations.

George suggested that WEDC should index and inventory existing businesses and their locations.

He also suggested that WEDC should work with the Natural Resources Board to find land useful for commercial/industrial purposes

The next meeting will be March 21, 2006.

The meeting adjourned at 9:15pm.

Respectfully submitted,
Alice Morris, secretary
